

Postal advice from Shallal

Using the post to stay creative during this time is important.

It's a great way for us to keep in touch and connect with our communities.

However, it is important that this is done safely.

We want you to know that Shallal Studios have followed Public Health guidance when making and sending Picture Post activity packs to you.

The risk of catching Coronavirus through the post is low, but it is important that you follow hand hygiene steps in both sending and receiving post.

Here are some helpful tips:

- Make sure you wash your hands before you prepare your post.
- Make sure you wash your hands after opening post you receive.

If you have any questions about sending or receiving post, please get in touch with Lou or Phoebe. We are happy to help.

Contact info:

Phoebe: 07966 022 484

Lou: 07792 059 854

p.s We have made return envelopes small enough to fit in the letterbox so that you don't have to go to the post office.
