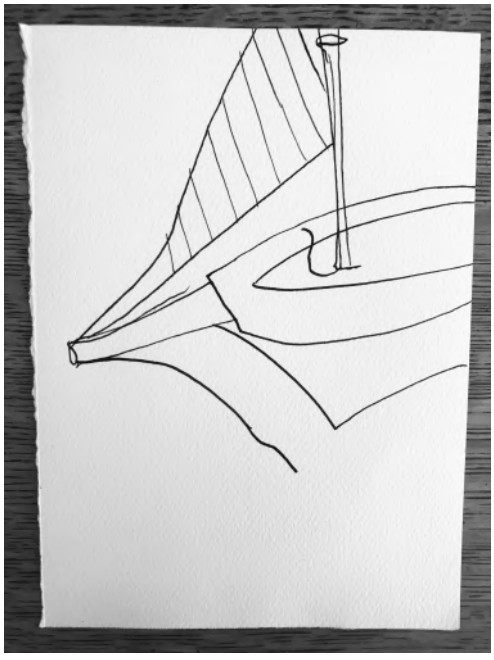
Materials

- Paper
- Ink or black pen
- Paint
- Brush

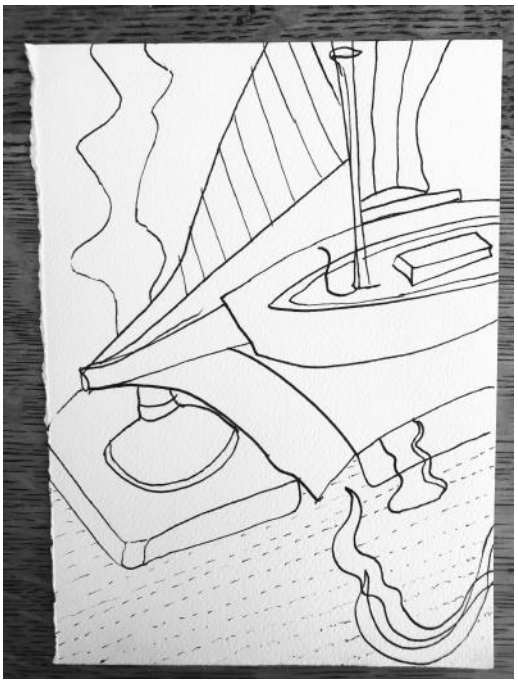
- Choose 3 objects from your house.

- Set up your materials

- Arrange the 3 objects you have found in your house in front of you.



- Draw the outline of your objects using black ink or a pen.



- Choose 1 colour from your paints.

- Mix water to make the paint lighter

- Mix black to make the colour darker.

- Use your brush to fill in the spaces between your line drawing.

- You can leave some spaces white if they look lighter.
