

Materials

Pencil

Coloured paint / pens / pastels / pencils

Paper

This week we will be making a drawing from music.

Start by finding some music to listen to.

Make sure you can hear the music from where you working.

Listen to the music and make marks on your paper at the same time.

Use colour to describe the music.

Imagine you are dancing to the music with your pencil or brush!

Is the music slow or fast?

Use your brush at different speeds.
