

Materials:

- Thick plastic bag, cut into a square
- Paint: poster/acrylic
- Pencil
- Loo roll
- Paper
- Coloured pencil / pastels

Cut your plastic bag into a square. Ask someone to help if needed.

Paint the plastic bag.

Use your pencil to draw into the paint.

Use loo roll around your finger to draw into the paint.

Put your wet plastic bag to one side.

Lay your paper on the table.

Now lie the painted plastic bag on top of your paper.

Smooth with your hands

Now lift the plastic bag off from one edge.

Once the print is dry, you can draw on top using colour.
