

## Materials

- Coloured paints / pencils / pastels
- Pencil / Charcoal

This week we will be playing a drawing game.

There is no right or wrong way to make the drawing. Anything goes!

You can follow the instructions or you can make anything you like and send it to us.

- Start by drawing **3** lines on your page.

The lines can be whatever you want eg:

short  
long  
wiggly

Straight  
Curved  
Bumpy

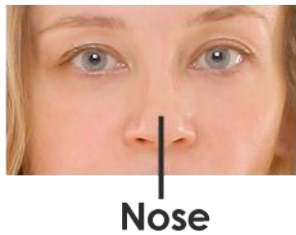

Now connect the lines together.

Add colour to your drawing.

Now turn the drawing into a face by adding eyes, a nose and a mouth.

Finally add anything you want to the drawing !
