

## Materials:

- Fruit, cut up into slices
- paint (poster/acrylic)
- brush

- palette/old plate/yoghurt pot
- apron - this could get messy!

- Gather your materials. Ask someone to help cut the fruit into slices if you need.

- Squeeze the paint onto your palette.

- You can use as many colours as you want for this activity.

- Choose a fruit slice and paint it.

- Press the fruit onto some scrap paper to test it.

- Stamp the fruit onto your paper.

- Repeat if you like.

- Play with your painted fruit slices using different colours.

- Now play with different amounts of paint on the slice.

- You can play with making patterns.

- You can layer the prints on top of each other using different colours.

- Try this activity using different fruit.
